New business-

Exhibits and schedule-

- a. Kronish's work is up on display (mobiles in the sitting room)
- b. Pending application-
 - Linda Saucier (calligraphy)- idea to invite her to the next meeting to discuss hanging the work and adding some of her work that might "respond" to the Comm. Center's purpose... she could/might also want to do a demo to visitors. *David is the liason*
 - Also, the historical society wants to display in the glass cases.
- c. Plan development- David says, "....get out and talk to people...." To gather ideas about future opportunities-

Could we:

- Build a "viewbook" of past artists' displays at Comm. Center.. should it be physical, or digital? Add it to the Center's website?
- what about work in the transportation center in Storrs center?
- What about searching to "raise the bar" of the quality of work WE have on display. Then use that to get the attention of local businesses/art space/ etc.

Next meeting held on **October 4**
